

Photographer

Gather Resources Madagascar

Description

The Photographer generates revenue by capturing, selling, and promoting memorable moments of guests' journeys, from embarkation to special events onboard. This role combines technical skill, creativity, and ceremonial courtesy, ensuring guests receive high-quality images that reflect the elegance and joy of cruise hospitality.

Qualifications

Fluent in English communication skills at minimum B1 level written and spoken, both with guests and team. Additional another European language (Italian, French, German, Spanish) at B1;

A minimum of one year of professional photography experience, with at least one-year prior work in hospitality, tourism, resorts, or cruise ships;

Familiarity with cruise ship operations and an understanding of the unique challenges of photographing at sea; Proficiency in using advanced photography equipment and editing software;

Excellent talent for making guests feel comfortable and confident in front of the camera;

Strong portfolio showcasing various styles (portraits, events, landscapes and group shots to scenic views, etc.); Ability to work under pressure, adapt to fast-paced environments and lighting setups and composition principles; Willingness to work long hours, including evenings and weekends;

A keen eye for detail, creativity, and a passion for storytelling through visuals.

Pleasant personality and professional demeanor; No visible tattoos.

Responsibilities

Captures and preserve unforgettable moments for guest photographs across embarkation days, restaurants, lounges, outdoor areas, and excursions, ensuring both quantity and quality, and displays them in the onboard Photo Gallery while inviting guests to purchase;

Document shore excursions and guest experiences at ports of call;

Ensures proper care and maintenance of company equipment and materials, promptly reporting any faults or damages to the Photo Manager to guarantee continuous and uninterrupted photo service;

Ensures the timely opening of the Photo Shop for sales activities during the cruise, and guarantees that photo products are attractively displayed to maximize guest engagement and revenue;

Keep photography gear and gallery areas clean, organized, and operational;

Assembles and disassembles photo sets in accordance with managerial instructions, ensuring professional standards of setup and providing guests with a high-quality photo shooting experience;

Supports the loading of materials from onboard stores and ashore, ensuring proper handling and accurate storage in designated areas to maintain operational efficiency and compliance;

Assists the Printer (Laboratory Technician), when required, by supporting activities such as photo editing, printing, and developing, as well as managing the stocking of materials and chemicals in the laboratory to ensure smooth and continuous operations;

Actively fosters a work environment that promotes a strong safety culture, serving as a dynamic contributor by consistently adhering to established safety policies and procedures; Contribute to social media and promotional campaigns showcasing the magic of life at sea; Create stunning images that guests will cherish forever; Ensure guests take home more than memories.
